Qualified Dividend Income

Qualified dividend income (“QDI”) is taxed at the lower long-term capital gain rates. The mutual fund may pass through any QDI it receives from stocks in the fund’s portfolio. QDI is reported to you on Form 1099-DIV, Box 1b. The QDI amount in Box 1b will only apply to you if you have held the fund for more than 60 days during the 121-day period beginning 60 days before the fund’s ex-dividend date of the distribution. To assist you in determining whether you have met this holding period requirement, the ex-dividend dates for our equity funds are listed in the chart below.

Please keep in mind that due to the beneficial tax rate changes affecting both qualifying dividends and capital gains, you will need to complete the Qualified Dividends and Capital Gain Tax Worksheet in the Instructions for Form 1040 to compute your taxes.

City National Rochdale Fund	Dates for Ordinary Income (OI) and Short Term Capital Gain Distribution (ST)
Intermediate Fixed Income Fund	(OI) March 23, June 25, September 24, December 21
Dividend and Income Fund	(OI) March 23, June 25, September 24, December 21
Fixed Income Opportunities Fund	(OI) March 23, June 25, September 24, December 21
U.S. Core Equity Fund	(OI) March 23, June 25, September 24, December 21

The reduced tax rate on dividends does not apply to bond, tax exempt or money market investments.

2018 Important Tax-Exempt Fund Information

Federal Tax Treatment

Federal tax law allows dividends from mutual funds that invest in municipal obligations to be considered tax exempt income. Any income distribution that qualifies as a tax exempt interest is reported on your Form 1099-DIV, Box 11. You must report this amount on your 2018 Form 1040. The amount reported in box 12 of Form 1099-DIV must be used in preparing Form 6251 to determine if you are subject to Alternative Minimum Tax. Any income distribution that is taxable income is reported on your Form 1099-DIV, Box 1a. This amount must be reported on Form 1040.

State and Local Tax Treatment

Some of the Federal tax exempt dividends may also be exempt from state and local taxes, depending upon where you file your return. Listed below is the tax exempt percentage of income by state. As state and local tax regulations vary from state to state, not all permit such exclusion. For example, Illinois does not allow a taxpayer to exempt interest paid on Illinois state and local government obligations if the obligations are held by a shareholder in a mutual fund. For more information, please consult your tax advisor. If the tax law of your state provides for the exemption, multiply the amount in Box 11 of Form 1099-DIV by the appropriate percentage below. This amount can be excluded and the remaining balance should be reported on your state tax return.
